S&R Logistics General Carrier Rules

1. Carriers must call at 5:00 A.M. and no later than 5:30 A.M., to the dispatch office if sick, broken down, or not working.
2. If the carrier does not receive a dispatch the night before any work day, they must call the dispatch office at 5:00 A.M.
3. All dispatches need to be run **exactly** as dispatched unless a change is authorized by the S&R Logistics dispatcher on duty.
4. All dispatch sheets and weekly reports must be turned in correctly or paperwork will be returned until completed correctly.
5. Carriers must make sure the bed of the trailer is clean before loading.
Carriers will be responsible for any load that is contaminated and will be responsible for cost of material. Furthermore, the carrier will not be paid for the freight portion of the load.
6. Carriers are to read load tickets to verify that they are made out correctly (customer name, ship to, commodity, PO #, etc.) before signing and leaving any mine location or material origin.
7. Carrier must verify with customer the dumping location **before** dumping the load.
8. All load tickets must be signed by the customer for the carrier to be paid.
Carriers will be responsible for the cost of material and furthermore, will not be paid for freight portion of all unsigned tickets that are not paid by the customer.
9. When a carrier is finished with the loads assigned or cannot complete the loads assigned, they must call and let the dispatch office know immediately.
Any remaining loads will be covered to satisfy the customer.
10. Once the carrier has contacted the dispatch office to let them know they are down or unavailable, the carrier will be considered unavailable until noticed otherwise.
